

Cable Length Change

Instinct Dual Abdominal/Lower Back (9IL-D6330-13BSS)

To ensure you are ordering the proper cable for the Instinct Dual Abdominal/Lower Back machine, you must check the serial number of the machine.

Serial Number Range	Part Number	Cable Length
Before ID-D1035216	730-2150	1050mm
After ID-D1035216	730-2841	1145mm

To update a machine made before serial number ID-D1035216 to accommodate the longer cable (730-2841), the entire cam assembly will need to be changed (PN: 730-2840-KT).
