

## ***Life Fitness Cross-Trainers 90X, 93X, 95Xe, and 95Xi*** **How To... Replace the Deadshaft Covers**

Special Service Tools Required: NONE

---

1. Remove the two screws securing Deadshaft Covers to each other.
2. Install the new Deadshaft Covers in reverse order.

Note: Make sure the Heart Rate cables, if present, do not get pinched when installing the covers.
