

Life Fitness Models 9100, 9500HR, 9700HR, and 9700HR w/Decline Treadmills
DIAGNOSTICS: INFORMATION – SYSTEM ERROR MODE

This area will allow the user to see the last 25 logged system errors. The error information will be displayed from the most recently logged to the oldest. Each system error will be displayed in the following format.

ERROR#	DATE OCCURRED	BRIEF ERROR TITLE
Calories	Distance	Time
		Incline
		Speed

This format allows the user to scroll through all logged system errors without seeing any error details. The system errors will be scrolled automatically every 3 seconds or can be scrolled by using any of the arrow keys.

If the user wants to see the details about an error condition, the user must press the 'ENTER' key when the error title is displayed on the message center.

When the 'ENTER' key is pressed, all of the error log details will begin to display. These error details will scroll automatically every 3 seconds or can be scrolled by using any of the arrow keys.

Press the 'CLEAR' key to go back to just seeing the error titles.
 Press the 'CLEAR' key to exit the System Errors and return to the System Info Menu.
