The original control zone for this model is no longer available. The diagram shows the new 3 IR sensor control zone. If the customer has the original capacitive control zone, please see "New 3 IR Sensor Control Zone" (NB-1407006) in Parts Replacement for upgrade instructions. To upgrade to 3IR, verify that unit has P18. If it doesn't, send P18.

If this is the first time ordering the replacement part, must also send 1000233812, 1000233809, and 1000229865. New style bottle holder (plastic). Only compatible with the upgraded handlebars. Check with the customer to confirm which style they have. Old style bottle holder (steel with rubber coating). Only compatible with the original handlebars. If the handlebars have been replaced or upgraded, order the newer style bottle holder (plastic). Check with the customer to confirm which style they have.

The original control zone for this model is no longer available. This sensor is for the new 3 IR sensor control zone. If the customer has the original capacitive control zone, please see "New 3 IR Sensor Control Zone" (NB-1407006) in Parts Replacement for upgrade instructions.<br><br>To upgrade to 3IR, verify that unit has P18. If it doesn't, send P18.
