

SM Step Assist Color Change

SM5

There has been a color change to the SM5 step up assist.

The original step up assist color was white and used between serial numbers **150005DAY12370004-150005DAY12400001**.

Current productions are a mid-tone grey and started on serial number **150005DAY12400001**.
